NEWS FROM THE SCHOOL LEARNING COMMONS

Our Library Learning Commons Facility is off to an exciting start!!!

The 19th Annual Library Jeopardy will be starting in October! Grades 5 & 6 will have an opportunity to sign up to play! I am excited to start this game and watch Students read their Jeopardy books and compete! Winners of the Grade 5&6's win a lunch of their choice!! Come and enter your team for a chance to win!!

Our Accelerated Reader program is off and running for the nineteenth year!!! Students from Grades 2—6 are reading books at their level and answering questions on the book. Don't forget students — if you take home your AR book to read, make sure it comes back the next day for AR Reading in the classroom/Library! Keep an eye out for AR challenges, games and contests in the near future!!!! REMINDER: Grades 3-6 need to have their goal met by November 9th for their 1st reporting period! Information about Home Connect will be sent out with the students from Grades 2-6. I encourage you to sign up! If you are having trouble logging in, give me a call!

It is very important for each student to remember to bring back his or her library book each week for check-in or renewal. Please encourage your child to keep up the good work of reading and returning their books on time!

Have a great Reading Month!!

Mrs. Dewan

Learning Commons Facilitator

2022-2023 Yearbooks

We have a few extra copies of the 2022-2023 yearbook available for purchase on schoolcashonline for \$19.00

I promise to do my best every day to be a bucket filler, not to dip, and to use my lid for myself and others at home, at school, and everywhere I go.

Have You Filled A Bucket Today?

www.elkpointelementaryschool.ca

school lunch menu

October 5	MAGIC PIZZA	
October 12	HOT DOGS	
October 19	SUBWAY	
October 26	HAMBURGERS	

Please share your musical stories with me! - Mrs. Earle

Some ideas for music at home:

What a great start to the new school year! Students have jumped in with enthusiasm and joy, singing, dancing, improvising, and even miming.

My challenge to parents:

Ask your child what they did in Performing Arts this week. Maybe, they're learning to sing along with high and low voices (1-2). Maybe there was a hilarious moment while playing the game Freeze (5-6). Or maybe, they were part of a wonderful performance of speaking and actions (3-4)!

Sing a song from music class to a grownup	Listen to a song story	Play an instrument
Write your own song!	Play Rhythm on Chrome Music Lab	Watch The Remarkable Farkle McBride
Play along with a Musication Video	Sing your favorite song	

TERRY FOX SCHOOL RUN DAY WAS A HUGE SUCCESS!!! I would like to thank everyone for their participation in this year's Terry Fox School Run/Walk Day this past Friday, September 22, 2023. It turned out to be a beautiful day for EPE to "Walk for the Cure" in our School Families.

There is still time to collect pledges for the Terry Fox Foundation. If you would like to donate to the Terry Fox Foundation you can go online to our school's online fundraising page (<http://www.terryfox.ca/ElkPointElementary>)

Deadline to collect pledges is Friday, October 6, 2023. Thank you for making a difference!

IMPORTANT DATES & UPCOMING EVENTS:

Tuesday, October 3 – Grades 3-6 Intramurals Begin

Friday, October 6 – Terry Fox Pledges deadline

After School

Athletics

Elk Point Elementary School is offering an after school athletic program, with the goal to provide additional opportunities for our Grade 5 & 6 students to further develop athletic skills, sportsmanship, and overall fitness. The vision for this program is to achieve the goal through a balance of instructional activities and active games that develop personal and group skills. To begin with, we will focus on the sports of Team Handball, Basketball and Volleyball. The program will be on Wednesdays (with some exceptions) from 3:30 to 5pm.

Watch for an information package to come home with your Grade 5 or 6 student soon!

September 13, 2023

BOARD MEETING HIGHLIGHTS

Enrolment Update

Overall enrolment is slightly lower than projected. The final student count will occur at the end of September. Budget adjustments may be required.

Joint Use Planning Agreements

Changes to the Municipal Government Act and Education Act require municipalities and school boards to have Joint Use Planning Agreements (JUPAs) in place prior to the end of June 2025. The Board approved that the template developed in conjunction with the County of St. Paul be used with all municipal partners, subject to updates for specific sites.

Collaborative Response Training

As part of our Division Professional Learning Community Day activities on September 1, all staff were introduced to the Collaborative Response Model with Kurtis Hewson from Jigsaw Learning. We look forward to continuing to work with Kurtis as he guides our division in using the power of collaboration to improve student success.

New Communication Tools

The new Division and school websites launched at the end of August. The Division is also pleased to offer a new bus notification system. The Bus Status 4 App will replace the Alertus App that was previously used by the Division to communicate bus delays and cancellations. Instructions for downloading the app are available on our [website](#). The Division will also launch the SchoolMessenger communication system later this fall.

Dual Credit Grant

The Division is partnering with Portage College through this grant to offer dual credit health and wellness related courses.

Off-Campus Education Coordinator

The Division has received funding through Careers the Next Generation to fund an Off-Campus Education Coordinator. Corey deMoissac will be coordinating all Registered Apprenticeship Programs and internship opportunities for students across the Division.

Financial Update

The audit committee approved the audit plan and is still seeking two public members. Individuals with a financial background that might be interested are encouraged to contact the Secretary-Treasurer. The Province has selected BR2 Architects to be the design consultant for the École Mallaig School project. BR2 is the same firm that designed Ashmont School. Site testing has begun and design planning will begin shortly.

For more information, contact:

Mr. Peter Barron

Superintendent of Schools

Learning Together, Growing Together

Elk Point Elementary School and **Elk Point Helping Hands** are teaming up to sponsor a **Food Drive** to help people in our community!

This Food Drive will start
Monday, Oct. 2 and will end **Friday, Oct. 13.**

If we all give a little, it ends up being a lot!

Any student who wants to participate can bring in any item(s) on the Requested Food List to the school during those 2 weeks.

Requested Food Items:

Package of Pasta	Pasta Sauce	Box of Kraft Dinner
Can of Baked Beans	Can of Soup	Canned meat (e.g. Tuna)
Peanut Butter	Jam	Pancake Mix
Bag/Box of Oatmeal	Bag/Box of Cereal	Package of Rice

Thanks for Caring! Thanks for Sharing!

HOW SICK IS TOO SICK FOR SCHOOL?

SEND TO SCHOOL

- A runny nose or just a little cough but no other symptoms.
- Sore throat but no other symptoms.
- No fever in the past 24 hours without fever-reducing medicine.
- No vomiting or diarrhea for 24 hours.

KEEP AT HOME

- Fever higher than 100.4 degrees F (38 degrees C).
- Sore throat, with other symptoms such as a persistent cough.
- Vomiting or diarrhea in the past 24 hours.
- Eyes are pink and crusty.
- Has been exposed to an illness where isolation is recommended.

Language Matters

We communicate all the time. Communication is what we say with our words, our tone of voice and our body language.

Language Impacts People

Language can invite people in, or it can push them away. When we are mindful about how and what we say, it boosts kids mental health. As a family, use positive and encouraging words to build caring and connected relationships.

Family tips on how to build communication and language skills

- Keep messages simple
- Help your children get the facts
- **Be calm** when speaking to your kids
- **Be prepared** before having a difficult conversation
- **Don't assume** you know what is going on or has happened
- **Check in** regularly with your kids to connect better
- **Look for the good** in each other
- **Empathy and listening** helps us to see each other's perspective and to increase understanding.
- **Be kind** to yourself and others

Stand up to stigma

Stigma is the negative attitudes, beliefs, or behaviours about or towards a group of people because of their life situation. It may include discrimination, prejudice, judgement, and stereotypes which can isolate people.

Ways to help your family reduce stigma:

- Encourage your family to talk openly about addiction and mental health
- Use supportive language
- Speak out to correct myths and stereotypes
- Educate yourself, your family, and others

Tackling stigma is important as it creates trust and encourages people to express their feelings and seek treatment.

Tackle stigma through the words you choose

- Use positive and respectful language
- Avoid stereotypes and labels
- Use person-first language to focus on the individual rather than the illness, disability, condition, or behaviour

Examples of stigmatizing vs. respectful language:

Stigmatizing

This drives me crazy

This is nuts

Mentally ill or insane person

Addict or junkie

Respectful

This bothers/annoys/frustrates me.

This is interesting/strange/peculiar/funny.

Person living with mental illness.

Uses substances or lives with substance use problem.
